in Kerala

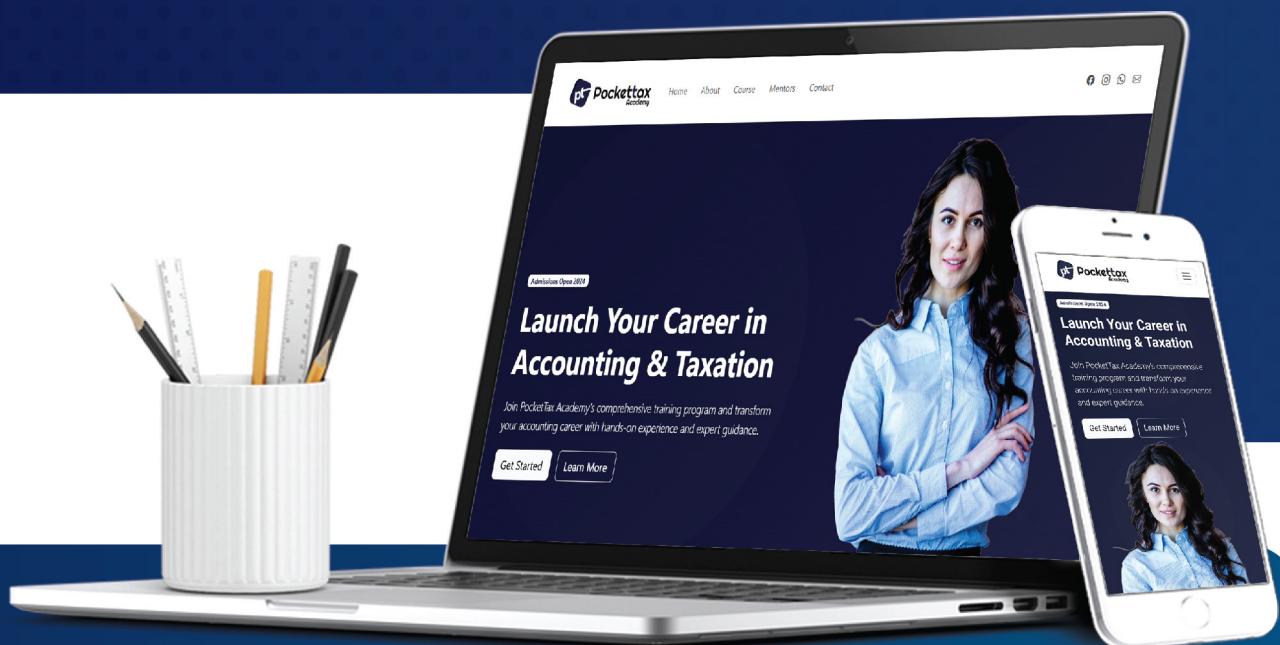

Welcome to Pockettax Academy

Pockettax Academy, your gateway to a thriving career in accounting and finance.

The demand for skilled accountants is consistently high across various sectors and industries. However, the perception of the accountant's role has, in some cases, been limited to data entry. At Pockettax Academy, we challenge this notion. We believe that accountants are more than just number crunchers; they are strategic advisors, data analysts, and compliance experts.

At Pockettax Academy, we shape future ready accounting professionals. Our comprehensive Accounting Training Program blends deep learning with practical experience, guided by expert CAs and advanced infrastructure.

Join us for a transformative journey to become a leader in the accounting field, your success is our commitment!

Mission

Our mission is to create a new generation of accounting professionals equipped with the skills and confidence to manage accounts and taxation of business enterprises independently and to serve as professionally qualified accountants.

Vision

To deliver world class accounting education, foster hands on expertise and create career opportunities that transform our students into industry leaders.

Values

Excellence, Integrity, Innovation, Commitment
& Collaboration
